Click , then input ID "0", password " 12345" to enter main menu.0/12345 is the factory default admin ID and password. You can change to your own password or set other users as administrators.	Enter system settings \ time to set date and time.	View or edit device ID and admin password in system settings\device.

• User Enroll

#### TIPS

During the face registration process, please do not cover the forehead and keep the face below the evebrows visible. In order to improve comparison accuracy, we need to obtain multiple face templates with multiple angles, so the registration process will last for one minute.Please register patiently. Quick face registration is recommended.
